

WV Medical - Provider Portal UM Case Wizard Enhancement Training

The Provider UM Create Case Wizard Enhancement is coming to Atrezzo ANG Provider Portal on 01/26/2023

To Register for Training

The objective of this training session is to demonstrate an enhancement to the Atrezzo Provider Portal affecting how to submit a prior authorization request. The change is system functionality only and will not affect the policies of your contract or the processes in place.

Please use links below to register for your date and time.
