

## Kepro EAP Provider Quick Start Guide

### Referral Information:

- This client has been authorized EAP sessions by Kepro for face-to-face assessment/short-term counseling/referral.
- If treatment beyond the EAP services is appropriate, please assist the client in connecting to an appropriate resource or provider covered through their health plan.
- Kepro will not assume financial responsibility for services beyond the authorized EAP sessions or any services that have not been authorized by the EAP.
- Kepro allows clinicians to self-refer. If you are a participating provider with the client's health plan, you may continue care through that modality.

### What is my role as an EAP Provider?

- Confidential and timely problem identification/assessment services for clients with personal concerns that may affect job performance.
- Use of constructive confrontation, motivation, and short-term intervention with clients to address problems that affect job performance.
- Referral of clients for diagnosis, treatment, and assistance, as well as case monitoring and follow-up services.
- As an EAP provider, you cannot complete short term disability forms, evaluation forms for court purposes, fitness for duty evaluations, psychological testing or any other documents that would be completed by a "treating" provider.

### Billing:

- The EAP client is NOT responsible for payment for any EAP sessions.
- Billing should be submitted within 45 days of each date of service via the Payment Portal.
- At the time of case closure, please enter closure details, even if there was not a closure session.

- Billing can be submitted to Kepro via Online Portal, USPS Mail, or Fax.
